K Sumukha Kedlaya

Electronics and Communication Engineering Student
Bangalore, India — ksumukha.ec23@bmsce.ac.in

Summary

Motivated Electronics and Communication Engineering student with strong problem-solving and analytical skills. Proficient in Java, C++, Python, and MATLAB with a strong foundation in Data Structures and Algorithms, Object-Oriented Programming, and Machine Learning. Passionate about Software Development and eager to contribute to innovative projects while continuously learning new technologies.

Education

Bachelor of Engineering (B.E.) – Electronics and Communication Engineering
BMS College of Engineering, Bangalore
CGPA: **8.43**

Technical Skills

- **Programming Languages:** Java, C++, Python, MATLAB
- **Core Subjects:** Data Structures and Algorithms, Object-Oriented Programming (OOP)
- **Machine Learning:** Supervised Learning, Basic ML Algorithms
- **Embedded Systems:** Arduino, Basic Embedded Systems
- **Tools:** Arduino IDE, MATLAB

Projects

Arduino Hands-on Projects
- Designed and implemented Arduino-based sensor and microcontroller projects.
- Integrated hardware and software for real-time sensing and automation.
- Developed basic embedded and IoT applications using sensors and actuators.

Certifications

- Object-Oriented Programming (OOP)
- Introduction to Machine Learning

Interests

- Carnatic Music (Completed Junior Level)
